koyi bana aaj apana - 4

sukh mein aankhein band ho rahi
khule hriday ke dvaar
do man milakar ek huye hain
do do naina char - 2
char nain dekhein hil mil kar
ek madhur sapana

bana aaj apana

chaar charan par paanch ek hai
chaar agar do baat
ek git mein bandhati jaati
chaar chaandani raat - 2
madhur prit ki phulmaala par
praan naam japana

bana aaj apana

prem hindola jhuulein hil mil
ek qadam ?????
naache rut chham chham ke
bhare bahan mein bahan - 2
baar baar nainon ka milana
palakon ka jhapana

bana aaj apana
