koe nahee hain fir bhee hain muz ko, kyaa jaane
kisakaa intajaar
ye bhee naa jaanoo, laharaake aanchal kisako bulaaye
baar baar

sochoo ye hai ungaliyaan kis ke pyaar kee
gaalon ko chhuye jo daalee bahaar kee
kaun hain aye hawaa, aye bahaar

paanee mein chhabee main dekhoo khadee khadee
baalon mein sajaa ke kaliyaan badee badee
fir banoo aap hee bekaraar

waadee mein nishaan mere hee paanw ke
foolon pe hain rang meree hee chhaanw ke
fir bhee kyon aaye naa ayetabaar
