meri taqadir kahaan par mujhe le aayi hai
saari duniya meri ulfat ki tamaashaayi hai
isaliye laaj ka parda hai mere chehare par
khul gaya raaz to isamein teri rusavaayi hai

raam kare kahin naina na ulajhein - 2
naina jo ulajhein to mushkil se sulajhe
raam kare kahin

aaye na jis din ghar saanvariya paagal banakar
dhuundhe najariya
mori kaaya aise tadape jaise tadape jal bin machhariya
raam kare kahin

jisake kaaran sab kuchh chhoda usane mere dil ko
toda
har tuufaan mein saath raha vo aake kinaare mukhada
moda
raam kare kahin
