mohe laage saara jag phika phika
laage jag phika phika
maara tir ye kaisa tikha tikha
balam tikha tikha laage, jag phika phika

teri aankhon ne kiye hain jo ishaare
mere dil ke bane hain vo sahaare
tere nainon mein balam ye kya dikha re
tere nainon mein balam, tikha tikha laage
jag phika phika

mohe laage saara

tuune naina jo mujhase milaaye
mere honthon se nikali haaye haaye
huwa haal bura mere ji ka re
huwa haal bura mere ji ka
laage jag phika phika

mohe laage saara
