morni re morni main jungle ki morni
ha ha morni re morni main jungle ki morni
pavan ki baandhu payal
main ghata ki odhu odhani
morni re morni main jungle ki morni
ha ha morni re morni main jungle ki morni

(hoke sadke bahaar meri chaal pe
mere raste mein phool bichhaye re) - 2
gora din chamkaye rang roop ko
kali raat muska kaajal lagaye
meri saheli banke hawa mere ang sang chali
ho..morni re morni main jungle ki morni
ha ha morni re morni main jungle ki morni

(kabhi peepal ke neeche chaanv mein
kabhi panghat ke pichhe gaaon mein) - 2
aaisi naachti ophiru main baanwiri
jaise baandhe ho ghunghru paaon mein
nadi ki mauj ho jaisi main hu badi manchali
ho..morni re morni main jungle ki morni
ha ha morni re morni main jungle ki morni

(mujhe yeh aajkal kya ho gaya
kaun pairon mein kaanta chubho gaya) - 2
chand raaton se neend meri kho gayi
chain thode dino se mera kho gaya
kisse na thaane dhoondu
main iss gali se uss gali
ho..morni re morni main jungle ki morni
ha ha morni re morni main jungle ki morni
pavan ki baandhu payal
main ghata ki odhu odhani
morni re morni main jungle ki morni
