Na jaane kyon, hota hai yeh zindagi ke saath  
achanak ye man  
kisi ke jaane ke baad, kare phir usiki yaad  
chhoti chhoti si baat, na jaane kyon

vo anjaan pal  
Dhal gaye kal, aaj vo  
rang badal badal, man ko machal machal  
rahen, na chal na jaane kyon, vo anjaan pal  
tere bina mere nainon me  
Toote re haay re sapanon ke mahal  
na jaane kyon, hota hai yeh zindagi ke saath ...

vahi hai dagar  
vahi hai safar, hai nahin  
saath mere magar, ab mera hamsafar  
dhoonde nazar na jaane kyon, vahi hai dagar  
kahaa gaeen shamen madabhari  
vo mere, mere vo din gaye kidhar  
na jaane kyon, hota hai yeh zindagi ke saath ...
