neend churaaye, chain churaaye, daaka daale teri
bansee)-2
are din-dahaade
are din-dahaade, chori kare, raat bhar jagaaye
daaka dale teri bansi
ho nind churaaye, chain churaaye, daaka daale teri
bansi

(man mein lage aise agan, jaise chamake bijuriya
baadal men)-2
chup ke kabhi le jaaongee, teri bansi chhupaake
aanchal mein
kaahe shaam dhale
kaahe shaam dhale, kadam tale, mujhako bulaaye
daaka dale teri bansi

(samajhi thi main, natakhat hai too, bas maakhan
churaaya karata hai)-2
deevaani main, na jaane too, kaahe panaghat pe aaya
karta hai
mohe laaj aaye
mohe laaj aaye, haay nahi baat kahi jaaye
daaka dale teri bansi
ho neend churaye

(bansi ki dhun sunake piyaa, jiya mera kaheen kho
jaata hai)-2
main kya kahoon, kya na kahoon, mohe na jaane kya
ho jaata hai
geet preet bhare
geet preet bhare gaaye, sudh-budh bisaraaye
daaka dale teri bansi
ho o neend churaye chain churaye daaka daale teri
bansi
ho daaka dale
