pattaa pattaa, bootaa bootaa, haal humaaraa jaane hai  
jaane naa jaane, gul hee naa jaane, baag to saaraa  
jaane hai

koe kisee ko chaahe, to kyo gunaah samazate hain  
log  
koe kisee kee khaatir tadape agar to hasate hain log  
begaanaa aalam hain saaraa, yahaa to kae humaaraa  
dard naheen pahachaane hai

chaahat ke gul khilenge, chalatee rahe hazaar  
aandhiyaan  
hum to isee chaman me, baandhege pyaar kaa  
aashiyaan  
ye duniyaan bijalee giraye, ye duniyaan kaante  
bichhaye  
ishk magar kab maane hai

dikhalaayenge jahaan ko, kuchh din jo jindagaanee  
hain aaur  
kaise naa hum milenge, humane bhee dil mein  
thhaanee hain aaur  
abhee matawaale dilon kee, mohabbat waale dilon kee  
baat koe kyaa jaane hai
