pritam se jaake kah de, o chanda,
tu prit ko nibhaaye ja

har taraf chaandani hai
phaila hai nuur tera
nainnon mein mere phir bhi
chhaaya hai kyuun andhera

chhaayi wo shaam gam ki
hota nahin savera
ujadi hai dil ki basti
tu aa kar phir se use basaaye ja
pritam se jaake kah de

sunata nahin hai koyi
kisase kahuun kahaani
bin tere ja rahi hai
bekaar zindagaani

fariyaad kar rahi hai
sahami huyi jawaani
taqadir so rahi hai
tu aa ja, qisamat meri jagaaye ja
pritam se jaake kah de
