raat bhi hai kuchh bhigi-bhigi  
chaand bhi hai kuchh maddham-maddham  
tum aao to aankhein kholein  
soi hui paayal ki chham chham

kisako bataaein kaise bataaein  
aaj ajab hai dil ka aalam  
chain bhi hai kuchh halka halka  
dard bhi hai kuchh maddham maddham  
chham-chham, chham-chham, chham-chham, chham-  
chham

tapate dil par yuun girati hai  
teri nazar se pyaar ki shabanam  
jalate hue jangal par jaise  
barakha barase ruk-ruk tham-tham  
chham-chham, chham-chham, chham-chham, chham-  
chham

hosh mein thodi behoshi hai  
behoshi mein hosh hai kam kam  
tujhako paane ki koshish mein  
donon jahaan se kho gae ham  
chham-chham, chham-chham, chham-chham, chham-  
chham, raat
