sansaar ke sab sukh tere
aa pyaar ki baahon mein
palakon se main chun chun luungi
kaante hain jo raahon mein

jab gam tujhe gherenge
jab dard sataayega
tab tab teri duniya mein
aauungi dava banake
koyi tere kvaabon ko
jis vaqt jalaayega
maasuum vafa meri
barasegi ghata banake
le luungi tere dil ko main
is dil ki panaahon mein

apana tujhe samajha hai
sine se laga lena
takalifon se ghabaraake
daaman na chhuda lena

samajhega hunar tera
naadaan zamaana kya
har mod pe jivan ke
ek shama jala di hai
ab dard ka shikava kyuun,
ab ashk bahaana kya
hansane ki ada tuune
zakmon ko sikha di hai
ummid jaga di hai
maayuus nigaahon mein
