sitaare raah takate hain
chale aao chale aao, chale aao chale aao
hazaaron dil dhadakate hain
chale aao chale aao, chale aao chale aao

kahaan ho tum jo apane ko mera divaana kahate the
vo aankhein tum kabhi jinako hasin paimaana kahate
the
hasin paimaana kahate the
vo paimaane chhalakate hain
chale aao chale aao, chale aao chale aao
sitaare raah takate hain
chale aao chale aao, chale aao chale aao

yahi vaadi yahi saahil, yahi rangin nazaare the
yahi gam mein mohabbat ke, javaan lamhe guzaare
the
javaan lamhe guzaare the
kahaan ham bhuul sakate hain
chale aao chale aao, chale aao chale aao
sitaare raah takate hain
chale aao chale aao, chale aao chale aao

mohabbat ke hasin vaade the, donon ki nigaahon mein
kabhi aankhein thi aankhon mein, kabhi baahein thi
baahon mein
kabhi baahein thi baahon mein
akele ab bhatakate hain
chale aao chale aao, chale aao chale aao
sitaare raah takate hain
chale aao chale aao, chale aao chale aao
