teraa saath hain to, muze kyaa kamee hain
andhero se bhee, mil rahee roshanee hain
kuchh bhee naheen hain to, koe gam naheen hain
haye yek bebasee, ban gayee chaandanee hain

tootee hain kashtee, tej hain dhaaraa
kabhee naa kabhee to, milegaa kinaaraa
bahee jaa rahee, ye samay kee nadee hain
ise paar karane kee aashaa jagee hain

har ik mushkil saral lag rahee hain
muze zopadee bhee mahal lag rahee hain
in aakhon mein maanaa, namee hee namee hain
magar is namee par hee duniyaan thamee hain

mere saath tum muskuraa ke to dekho
udaasee kaa baadal hataa ke to dekho
kabhee hain ye aansoo, kabhee ye hasee hain
mere humasafar, bas yahee jindagee hain
