tere bachapan ko javaani ki dua deti huun
aur dua deke pareshaan si ho jaati huun

mere munne mere gulazaar ke nanhe paudhe
tujhako haalat ki aandhi se bachaane ke liye
aaj main pyaar ke aanchal mein chhupa leti huun
kal ye kamazor sahaara bhi na haasil hoga
kal tujhe kaanton bhari raahon pe chalana hoga
zindagaani ki kadi dhuup mein jalana hoga
tere bachapan ko javaani

tere maathe pe sharaafat ki koi mohar nahin
chand hote hain muhabbat ke sukuun hi kya hain
jaise maaon ki muhabbat ka koi mol nahin
mere maasuum farishte tuu abhi kya jaane
tujhako kis-kisaki gunaahon ki saza milani hai
din aur dharm ke maare hue insaanon ki
jo nazar milani hai tujhako vo khafa milani hai
tere bachapan ko javaani

bediyaan leke lapakata hua kaanuun ka haath
tere maan-baap se jab tujhako mili ye saugaat
kaun laaega tere vaaste khushiyon ki baaraat
mere bachche tere anjaam se ji darata hai
teri dushman hi na saabit ho javaani teri
khaak jaati hai jise sochake mamata meri
usi anjaam ko pahunche na kahaani teri
tere bachapan ko javaani
