(thandi thandi chale re hava) - 2 o sajana jiyara mera
laharaaye
ud-ud jaaye sar se chunariya mukh se nikale haay re
thandi thandi chale re hava

koyi rasiya koyi chhaliya mere man ko bhaane laga
is milan mein is lagan mein ik maza sa aane laga
aage-aage lagan more man ki jaane kya rang laaye re
thandi thandi chale re hava

lat jo ulajhi phir na sulajhi aa sajan sulajha de zara
main na jaanuun bhed man ke tu hi ab samajha de zara
yuun to laage nazar tori pyaari phir bhi kyon tadapaaye
re
thandi thandi chale re hava
