Tum kya jaano, tumhaari yaad men  
Ham kitana roye  
Ham kitana roye  
Rain guzaari, taare gin, gin  
Rain guzaari, taare gin, gin  
Chain se jab tum soye  
Ham kitana roye

Kitani kaliyaan khili chaman men  
Khil ke phir muraja gae  
Birahan ke is bhole mann ko  
Baar baar samajha gae  
Ro ke jawaani, kaati jisne  
Ro ke jawaani, kaati jisne  
Preet ke beej ye boye  
Ham kitana roye

Kitane baadal gheere gagan men  
Gheer ke phir naa barase  
Pyaas daba kar dil hi dil men  
Kitana tadape, tarse  
Dard hamaara dil jaane, ya  
Dard hamaara dil jaane, ya  
Naina khoye, khoye  
Ham kitana roye

Tum kya jaano, tumhaari yaad men  
Ham kitana roye  
Ham kitana roye
