Tum se milakar naa jaane kyon, aaur bhee kuchh yaad aataa hain  
aaj kaa apanaa pyaar naheen hai, janmon kaa ye naataa hai

o, pyaar kee katil pyaar kee dushman laakh banee ye duniyaan deewaanee  
o, hum ne wafaa kee raah naa chhodee, hum ne to apanee haar naa maanee  
us mod se bhee hum gujare hai, jis mod pe sab loot jaataa hai

yek tere beenaa is duniyaan kee har cheej adhooree lagatee hai  
tum paas ho kitane, paas magar, najadeekee bhee dooree lagatee hai  
pyaar jinhe ho jaaye unhe, kuchh aaur najar kab aataa hai

mar ke bhee kabhee jo khatm naa ho, ye pyaar kaa wo afasaanaa hai  
tum bhee to humaare saath chalo, to hum ko wahaa tak jaanaa hai  
wo zum ke apanee dharatee se, aakaash jahaa mil jataa hai
