uthegi tumhaari nazar dhire dhire - 3
muhabbat karegi asar dhire dhire

ye maana khalish hai abhi halki halki
khabar bhi nahin hai tum ko mere dard-e-dil ki
kahabar ho rahegi magar dhire dhire
uthegi tumhaari nazar

milega jo koi hasin chupake chupake
meri yaad aa jaayegi vahin chupake chupake
sataayega dard-e-jigar dhire dhire
uthegi tumhaari nazar

sulagate hain kab se isi chaah mein ham
pade hain nigaahen daale isi raah mein ham
ki aaoge tum bhi idhar dhire dhire
uthegi tumhaari nazar
