woh paas aa rahe hein, ham duur jaa rahe hein
apani khushi se apani duniya lootaa rahe hein
apani khushi se apani duniya lootaa rahe hein

aankhe bhi ro rahi hai, dil bhi tadap raha hai
dil bhi tadap raha hai,
aur woh samajh rahe hein ham muskuraa rahe hein
apani khushi se apani duniya lootaa rahe hein

bedard hai zamaanaa, majboor hai muhobbat
majboor hai muhobbat
manzeel ke paas aa kar, manzeel se jaa rahe hein
apani khushi se apani duniya lootaa rahe hein

O duur jaane wale....
O duur jaane wale, tujhko khabar nahin hai
O duur jaane wale, tujhko khabar nahin hai
ham rooTh kar khushi se, gham ko manaa rahe hein
apani khushi se apani duniya lootaa rahe hein

woh paas aa rahe hein, ham duur jaa rahe hein
apani khushi se apani duniya lootaa rahe hein...
