yaaron ne baahein jo daale gale
to dekhane vaale jale, kyon jale,
kyon
yaaron ne baahein jo daale gale,
to dekhane vaale jale, kyon jale
(jale kyon, jale kyon, jale kyon, jale)-2
jale, jale
yaaron ne baahein jo daale gale
to dekhane vaale jale, kyon jale

(ye mahaki fiza hai qayaamat qayaamat
ye bahaki hava hai qayaamat qayaamat)-2
ishaare yahaan hai aur nazarein kahin hai
ye kaisi ada hai qayaamat qayaamat
qayaamat mein donon jo dil se mile
to dekhane vaale jale, kyon jale

(idhar dil mein mere muhabbat muhabbat
udhar dil mein tere muhabbat muhabbat)-2
jidhar dekhate hain, yahi dekhate hain
hai aalam ko gheere muhabbat muhabbat
muhabbat mein donon jo dil se mile
to dekhane vaale jale, kyon jale
