ye aankhe dekh kar hum saaree duniyaan bhool jaate
hain
inhe paane kee dhoon mein har tamannaa bhool jaate
hai
tum apanee mahakee mahakee julf ke pechon ko kam
kar do
musaafir in mein ghirakar apanaa rastaa bhool jaate
hai

ye baahe jab humei apanee, panaahon mein bulaatee
hai
humei apanee kasam hum har sahaaraa bhool jaate
hai
tumhaare narma-o-naajook honthh jis dam muskuraate
hai
bahaare zenpatee hai, fool khilanaa bhool jaate hai

bahot kuchh tum se kahane kee, tamannaa dil mein
rakhate hai
magar jab saamane aate hai, kahanaa bhool jaate he
mohabbat mein jubaan choop ho to, aankhe baat
karatee hai
wo kah detee hain sab baate, jo kahanaa bhool jaate
hai
