ye kaun aayaa, roshan ho gayee
mahafeel kis ke naam se
mere ghar mein jaise sooraj nikalaa hain shaam se

yaade hain kuchh aayee see, yaa kirane laharaayeesee
dil mein soye geeto ne, lee hain fir angadaeesee
aramaanon kee madiraa chhalakee, aakhiyon ke jaam
se

aahat pe halakee halakee, chhaatee dhadake paayal
kee
har goree se naa musakaa, ye lahare poochhe aachal
kee
choopake choopake raadhaa koe poochhe apane
shaam se

kyaa kaheeye is aane ko, aayaa hain tarasaane ko
dekhaa us ne has has ke, har apane begaane ko
lekin kitanaa bepawraa hai, mere hee salaam se
