ye raate nayee, puraanee  
aate, aate jaate, kahatee hain koe kahaanee

aa rahaa hai, dekho koe  
jaa rahaa hai, dekho koe  
sab ke dil hain jaage jaage  
sab kee aankhe khoyee khoyee  
khaamoshee karatee hain baate

kyaa samaa hai, jaise khushaboo  
ud rahee ho kaliyon se  
gujaree ho nindeeyaa me  
palakon kee galiyon se  
sundar sapanon kee baaraate

kaun jaane kab chalegee  
kis taraf se ye hawaayen  
saal bhar to yaad rakhanaa  
ayesaa naa ho bhool jaaye  
is raat kee mulaakaate
