khamosh hai khevanhaar mera, naiyya meri doobi jaati
hai

khamosh hai khevanhaar mera, naiyya meri doobi jaati
hai
zinda hoon magar ab jeene ki ummeed bhi tooti jaati
hai

saahil ki tamanna thi mujh ko, manjhadhaar mein beda
ja pahuncha
jeene ki duaayen kya maangu, paani to gale tak aa
pahuncha
dil dhoondh raha hai duniya ko, duniya hai ki chhooti
jaati hai
naiyya meri doobi jaati hai, khamosh hai khevanhaar
mera

gam apna zabaan tak la na saku sansaar ko munh
dikhala na saku
ghutata hai jo dam, rukte hain kadam,
badhate hain qadam, rukte hain kadam,
ghutata hai jo dam, rukte hain kadam, manzil ki taraf
bhi ja na
saku
bhatka hua raahi jaan ke ab taqdeer bhi roothi jaati
hain
naiyya meri doobi jaati hai, kaamosh hai khevanhaar
mera

charnon mein hai tere laaj meri, sun aaj zara fariyaad
meri
tu duur nahi, majaboor nahi, nagari hai magar barbaad
meri
kya yu hi garibon ki duniya sansaar mein looti jaati hai
naiyya meri doobi jaati hai, kaamosh hai khevanhaar
mera
