I set out on the narrow way many years ago  
Hoping I would find true love along the broken road  
I got lost a time or two, wiped my brow, kept pushing  
through  
I couldn't see how every sign pointed straight to you

Every long lost dream led me to where you are  
Others who broke my heart, they were just Northern  
stars  
Pointing me on my way into your loving arms  
This much I know is true  
That God blessed the broken road that led me straight  
to you

I think about the years I spent just passing through  
I'd like to find the time I lost and give it back to you  
You just smile and take my hand, you've been there,  
you understand  
It's all part of a greater plan that is coming true

Every long lost dream led me to where you are  
Others who broke my heart, they were just Northern  
stars  
Pointing me on my way into your loving arms  
This much I know is true  
That God blessed the broken road that led me straight  
to you

Now I just running home into your loving arms  
This much I know, I know is true  
Oh, that God blessed the broken road that led me  
straight to you  
God blessed the broken road that led me straight to  
you
