Well, I feel my body tremble
And I feel my blood run cold
I'm gonna make a fool of myself again
By now you'd think I'd know

I swore that the last time
I'd learned from my mistakes
But I think I'm headed
For a brand new heartache

It's a brand new heartache
Just when I thought that I was free
But that same old haunting feeling
Is coming back to me

Well, ain't it all too familiar?
I think I recognize it's face
Well, I'm just not ready
For a brand new heartache

Well, love can bring you pleasure
But it can also cause you pain
You think the sun might shine forever
Then Lord, here comes the rain

They say time can be a healer
Well, tell me how long will it take?
'Cause I think I'm headed
For a brand new heartache

Though I should know better
Temptation still prevails
Once again I find myself
Underneath the spell

Of a brand new heartache
Just when I thought that I was free
But the same old haunting
Feeling is coming back to me

Well, ain't it all too familiar?
I think I recognize it's face

Well, I'm just not ready
For a brand new heartache

I said, "I'm just not ready
For a brand new heartache"
