Sweet Marie
Better than the rest
She can't dance
Eyes on fire
She's a little wired
I think I see my chance
So I talk to her
Talk to her
All she can say is goodbye
Hey hey hey
Hey I don't need this
Hey hey hey
Why don't I mind
Who's acting stupid
And who's acting smart
Who cares
Forget it
Ooh ooh wee
Likes it on top
Ladies choice
Once she starts
She never stops
Likes to break her toys
Now my great expectations
Are leading me into goodbye
Hey hey hey
Hey I don't need this
Hey hey hey
Why don't I mind
Who is the victim
And who is the crime
Who cares
Forget it
When you pass her audition
And there's no guarantee
Maybe
Sweet Marie
Didn't care
Limousine
Waits outside
Is she finished yet (no)
Got to leave the scene

So I see myself waving
In her tinted glass
Goodbye
Hey hey hey
Hey do I need this
Hey hey hey
I wouldn't mind
Who is the victim
And who's got the time
Who cares
Forget it
Forget it
Hey
Forget it
Hey hey hey
Who cares
Forget it
Hey
Forget it
Hey hey hey
Forget it
Hey
Forget it
Hey hey hey
Forget it
Forget it
Hey
Forget it
