Life is like a hurricane  
It brings the wind, it brings the rain  
Mud and bone and tangled vine  
Pick the grape and drink the wine

Laissez le bon temps, bon temps roule  
Breathing in and out another day  
Laissez le bon temps, bon temps roule  
It's good to be alive

Roll in the clover bare your feet  
Bees will sting but honey's sweet  
Chickens run but angels fly  
'Cause God is holding up the sky

Laissez le bon temps, bon temps roule  
Breathing in and out another day  
Laissez le bon temps, bon temps roule  
It's good to be alive

Shiny hearses long and black  
Don't come with a luggage rack  
You can't take it when you go  
So let the good, the good times roll

Laissez le bon temps, bon temps roule  
Breathing in and out another day  
Laissez le bon temps, bon temps roule  
Je suis Vivant, Vivant

Shiny hearses long and black  
Don't come with a luggage rack  
You can't take it when you go  
So let the good, the good times roll

Laissez le bon temps, bon temps roule  
Breathing in and out another day  
Laissez le bon temps, bon temps roule  
It's good to be alive

Let the good times roll  
Let the good times roll
