Joshua come back home to the island
Everyone dance in the street
Joshua come back home to the island
Happiness be complete.

Mothers will talk again to their son
Happy the talk is no longer in one
While Stephen begins and John sped the story on.

Joshua been gone too long, princess of the islands
fade
Cries of pain and sorrow but there's no good work
today
Joshua said he come soon, bring good work to
everyone
Get together at sundown like crying in the work we
done.

Craft two blocks together, singing about de land
Joyful congregation dancin' in the sand
No want to look to Babylon, Kingdom will come right
here
Joyful celebration, make the slaver shake with fear.

Joshua come back home to the island
Everyone dance in the street
Joshua come back home to the island
Happiness be complete.

Mothers will talk again to their son
Happy the talk is no longer in one
While Stephen begins and John sped the story on.

Joshua talk to the angels, watch the sun on the western
sea
Silent contemplation, find the man to make us free
Joshua pay a dime a clam, charge a dime for a dozen
eggs
Plenty money left for rum to add power to our dancin'
legs
Plenty money left for rum to add power to our dancin'

legs.

Joshua come back home to the island
Everyone dance in the street
Joshua come back home to the island
Happiness be complete.

Mothers will talk again to their son
Happy the talk is no longer in one
While Stephen begins and John sped the story on
