Leigh Anne
Leigh Anne
I don't want to need you like I do
Leigh Anne
Leigh Anne
Hard to stay away from something as fine as you

Will I be the one you love enough
Or just another angel I can't touch
Leave me in between that will never do
Leigh Anne
Leigh Anne
Just a little piece ain't enough of you

Leigh Anne
Leigh Anne
I don't want to chase you like a fool
Up and down the avenue
Carry your books home too

Let me be the one you love enough
You're just another angel I can't touch
Something in between it'll never do
Leigh Anne
Leigh Anne
Just a little piece ain't enough of you

No no no
Don't say no
I don't want to need you like I do
Just want to get close to you
No no no
Please don't go
Cause baby you'll find
That I'm too good to lose
Leigh Anne
Leigh Anne
I don't want to need you like I do
Up and down the avenue
I'm gonna carry your books home too

Someday I'll be the one you love enough

Or just another angel I can't touch
Nothing in between will ever do
Leigh Anne
Leigh Anne
Just a little piece ain't enough of you

No no no
No no no
Just a little piece ain't enough of you
