If this is our last dance
Let's take it slow-owly
Let's let our hearts break
Just for old time's sake
For old time's sake

I don't want to be the one
To say the night is over
I don't want to be the one
To say goodbye
Let's face the music
There's no turning back
Just take my hand

If this is our la-a-a-ast dance
Let's take it slow-owly
Let's let our hearts break
Just for old time's sake
For old time's sake

Baby let me waltz away
The memories of hard times
Let me wipe away
The tears from your eyes
Can we be tender
Just one more time
We have tonight

If this is our la-a-a-ast dance
Let's take it slow-owly
Let's let our hearts break
Just for old time's sake
For old time's sake

For old time's sake (For old time's sake)
Let me walk you home to your door
For old time's sake (For old time's sake)
Let's have one more night together
For old time's sake (For old time's sake)
Let me waltz you around across the floor
For old time's sake (For old time's sake)
