Speak so softly and lowly  
Like you want me to hear  
And it just shows to go me  
No need to speak clear  
Your away on a movie  
And I want you to be

Be be be be be  
Be bebe be be

Youre away on a painting  
And I want you to be  
And it just aint worth waiting  
For what I don't want to see  
Youre away on a painting  
And it don't bother me

Me me me meme  
Meme me me me  
Me me me me me  
Me me me me me

Come on baby say you don't hate me  
Grape leaf stay fair save me  
Startin all over  
Heather clover come over rover break me  
Break me break me

Speak so softly and lowly  
Like you want me to hear
