I feel like Steven is my father and I don't know why  
But I realized it when I looked in his eyes  
I feel like Steven is my daddy and it ain't no lie  
I wanna hold you 'til the end of time so come on daddy  
Run into my arms come on daddy wanna feel your  
charms  
Come on daddy, run into my arms  
I wanna hold you 'til the end of time  
Didn't know I was your baby 'til the age of nine  
Didn't know I was your babe for such a long time  
But something inside me made me realize  
Something inside told me you were mine  
So come on daddy run into my arms  
Come on daddy I wanna feel your charms  
Come on daddy so come on daddy  
Run into my arms I wanna hold you  
I wanna hold you 'til the end of time  
It's never too late to find out or too late to know  
And now we're back in the saddle we're starting  
We're starting to grow
