1st verse:

All my friends have gone away  
Gone away for a long stay  
I love you or so I say  
Today, today

Yesterday I felt no shame  
Now my state is plainly tame  
Day to day, today today  
I said hey, hooray

1st chorus:

I don't wanna, I don't wanna  
I don't wanna feel ev'rything  
I don't wanna, I don't wanna  
I don't wanna feel everything

2nd verse:

Yesterday I felt no shame  
Now my state is plainly tame  
Day to day, today today  
I said hey, hooray

All my friends have gone away  
Gone away for a long stay  
I love you or so I say  
Today, today... hey

2nd chorus:

I don't wanna, I don't wanna  
I don't wanna feel everything  
I don't wanna, I don't wanna  
I don't wanna feel everything

Final chorus:

I don't wanna, I don't wanna  
I don't wanna feel everything

I don't wanna, I don't wanna  
I don't wanna.
