I'm glad I don't know what you been thinking lately  
about yours truly.

I bet I don't know how or when I'll fall,

Or if I'll see a movie.

I'm glad I don't know left from wrong,

Or just how far I'll get.

I'm glad I don't know.

I'm glad I don't know.

You just play your tricks all day,

And run back home to bed.b5

I bet when you get there,

You just wanna get out,

Wishing you were dead.

Or maybe you're real happy,

Just thrilled to break your bread.

Well installed or so enthralled,

Or fuckin' right out of your head.

I'm glad I don't know.

I'm glad I don't know.

I'm glad I don't know.

Glad I don't know.
