I've never been too good with names  
The cellar door was open I could never stay away  
I know it's probly not my place  
It's either or I'm hoping for a simple way of saying  
It's a shame about Ray  
In the stone under the dust his name is still engraved  
Some things need to go away  
It's a shame about Ray  
If I make it through today  
I'll know tomorrow not to put my feelings out on display  
I'll put the cobwebs back in place  
I've never been too good with names but I remember  
faces
