She takes me on a rocking stroll,
If you wont wave guess I wont know.
As by I roll I hope you'll throw a smile at me.
Cause this here pram is all Ive known.
I wont be walking till Ive grown.
All Ive been shown is everything I want to see.

Peoples knees and trunks of trees smile at me.

Looking upward to the sky, moving forward all the time.
The sidewalk lines, gadunk-gadunk-gadunk-gdai.
If it's warm in here is it cold down there?
Around out where I can only stare.
Im still aware of little but Im gonna try.

Im gonna try.
Im gonna try.
Im gonna try.
Im gonna try.oh!

She takes me on a rocking stroll,
If you wont wave guess I wont know.
As by I roll I hope you'll throw a smile at me.
Cause this here pram is all Ive known.
I wont be walking till Ive grown.
All Ive been shown is everything I want to see.

Peoples knees and trunks of trees smile at me.
