Na, na, na, na, na, na, na

Take a look around
Who would have thought we'd all be here?
So let's mess around
'Cause the future is unclear

We got nothin' better to do
We're just tryin' to get through
Can you hear me?
Can you hear me? Yeah

Let the music groove you
Let the melody move you
Feel the beat and just let go
Get the rhythm into your soul

Let the music take you
Anywhere it wants to
When we're stuck and can't get free
No matter what, we'll still be singing

Come on, come on, turn up the music
It's all we got, we're gonna use it
Come on, come on, turn up the music
Yeah

All we have is now
Let's make the most of this
Come on, break it out
So everyone can hear it

They don't have to understand
But we'll make 'em if we can
Do you hear me?
Are you with me? Yeah

Let the music groove you
Let the melody move you
Feel the beat and just let go
Get the rhythm into your soul

Let the music take you
Anywhere it wants to
When we're stuck and can't get free
No matter what, we'll still be singing

Come on, come on, turn up the music
It's all we got, we're gonna use it
Come on, come on, turn up the music
Yeah

Come on, come on, turn up the music
It's all we got, we're gonna use it
Come on, come on, turn up the music
Turn up the music

Let the music groove you
Let the melody move you
Feel the beat and just let go
Get the rhythm into your soul

Let the music take you
Anywhere it wants to
When we're stuck and can't get free
No matter what, we'll still be singing

Come on, come on, turn up the music
It's all we got, we're gonna use it
Feel the beat and just let go
Get the rhythm into your soul

Let the music take you
Anywhere it wants to
Come on, come on, turn up the music
Yeah
