Love me for who I am
Love me for who I am
Love me for who I am
I'm yours

Love me for who I am
Love me for who I am
Love me for who I am
I'm yours

I regret what I said
I was scared and upset
and i've made a mistake
I accept all the blame
and I lied
Sorry, forgive me
Please

And I know i betrayed
every fault that I made
and the pain that i caused
all the promises lost
yes I lied
Sorry, forgive me

Won't you please just love me
and hold me
and tell me you forgive me
love me and hold me
I'm sorry
won't you please forgive

Love me for who I am
Love me for who I am
Love me for who I am
I'm yours

Love me for who I am
Love me for who I am
Love me for who I am
I'm yours

I regret what I said
I was scared and upset
and i've made a mistake
I accept all the blame
and I lied
Sorry, forgive me
Please

And I know i betrayed
every fault that I made
and the pain that i caused
all the promises lost
yes I lied
Sorry, forgive me

Won't you please just love me
and hold me
and tell me you forgive me
love me and hold me
I'm sorry
won't you please forgive
