We said that we were meant to be  
That we were each others destiny  
And now we fade it away  
Maybe It's too late  
Now It's time for us to get it straight  
Moving on... moving on... moving on... moving on...

I'll never forget you but I'll be gone  
I'll always respect you and life goes on  
I'll never forget you... I'll never forget you...  
Never forget, never forget

I'll hold on to the memory  
Now that you and I are history  
And why! we will never know

Sometimes you let go what you used to keep within  
your soul  
Moving on... moving on... moving on... moving on...

I'll never forget you but I'll be gone.  
I'll always respect you and life goes on.  
I'll never forget you... I'll never forget you...  
Never forget, never forget

Our moments together,  
I will keep them forever  
Our hearts might surrender

I'll never forget you but I'll be gone.  
I'll always respect you and life goes on.  
I'll never forget you... I'll never forget you...  
Never forget.
