You brought me a damaged day
It took me from dusk to day
This night in my nightmare
I saw promotions
Of beautiful damaged day

Profits turn to loss
Everyone faints not us
You made me feel so safe
Made me feel so safe
But now I've run out of luck

I've never felt this sure
I've never felt so rare
Now that your here
Reach Out

We pushed the world as it breaks
But all you could give me was sex
It is still burning
We'll live without money
But now my time is up

Stroking an empty glass
the tonic we had our last
Go without me
Tell me what you see
Tell me that its not lost

I've never felt this sure
I've never felt so rare
Now that your here

Reach Out
Reach Out
Reach Out

Reach Out
Reach Out

Reach Out
Reach Out
Reach Out
Reach Out
Reach Out
