Step out on the floor
Cause I'm ready for more
The DJ keeps playing my song

Gonna push 'send'
Text all my friends
And tell them what I'm thinking of

Everyone is here and I am having so much fun
I hear the sound and then you know I'm gonna sing
along
Lose yourself this is the moment you've been waiting
for

Don't speak
The Music's gonna say it for you
Don't be shy
Just take a chance
Come on, come on

Everybody's feeling the beat
Dancing to the rhythm with me

Oh oh oh oh oh

Enough of the talk
Now we're ready to rock
Put your hands in the air and say yeah

Get into the groove
Cause it's making you move
Don't deny it
You know it's alright

Everyone is here and I am having so much fun
I hear the sound and then you know I'm gonna sing
along
Lose yourself this is the moment you've been waiting
for

Don't speak
The Music's gonna say it for you

Don't be shy
Just take a chance
Come on, come on

Everybody's feeling the beat
Dancing to the rhythm with me

Oh oh oh oh oh

This part is such a rush
The stars are up on the ceiling shining down on us
This time don't ever wanna stop
Even if we're dreaming

Don't speak
The Music's gonna say it for you
Don't be shy
Just take a chance
Come on, come on

Everybody's feeling the beat
Dancing to the rhythm with me

Oh oh oh oh oh
