I feel the
Beat of my
Life has
Begun to stop.
Now it seems
The patterns that
I used to follow
Go in circles.

Though my bloods'
Pressure is
High my heart
Beats slowly.
Don't you think
It's easier to
Start again when
You are forced to
Face the end?

Oh, sweet changes
I am all yours! (But)
Is someone out there
Who can tell me where
This path will lead me to?

This is the
Moment when
Everything
Is challenged.

Lucky are those
Who forget when
Past and future
Make no difference.

No need to
Fix a life
That has no
Single crack.

Don't you think
It's easier to

Stand close to the
Edge when you are
Losing ground?

Oh, sweet changes
I am all yours! (But)
Is someone out there
Who can tell me where
This path will lead me to?

When everything is
Changing I need
You to
Not fall apart.
