I wipe off the coma that
I have taken lying
Down. Down.

The trigger had been inside.
The sleeper is
Awake
Now! Now!

Trust in me.
Our future is filled with promise.
We'll find a way.
Together we'll transcend this sheer madness.

New blood rushes through my veins
Changing the beat
Of my
Heart. Heart.

The demons I have cared for
Are marching out

Of me
Now! Now!

Trust in me.
Our future is filled with promise.
We'll find a way.
Together we'll transcend this sheer madness.

I'm glad to see my heart beats like this.
It's good to feel my heart still exists.

Trust in me.
Our future is filled with promise.
We'll find a way.
Together we'll transcend the past.
Now...

Trust in me.
Our future is filled with promise.
We'll find a way.

Together we'll transcend this sheer madness.
