You don't know what you have done  
Now that you're owned by the night  
Owned by the night  
Owned by the night  
You don't know what you have done  
Your mind makes its own forms in time

What you predict will come true  
A prophet in his own world  
In his own world  
In his own world  
Sings: YEAH  
Sings: WHOA

Turn the alarm off!  
Don't panic, you're not lost!  
Realize it hasn't been  
The wolf who knocked  
At your door.

Be careful, open your eyes

The seed still grows at high speed  
Grows at high speed  
Grows at high speed  
Be careful, open your eyes  
Parts of you are growing in me

It's just a whisper inside:  
How could you end up like this?  
End up like that?  
End up like that?  
Singing: YEAH  
Singing: WHOA

Turn the alarm off!  
Don't panic, you're not lost!  
Realize it hasn't been  
The wolf who knocked  
At your door.  
You are  
In
