There she goes again
Mixing melody with the memory
She's got a song for everything
Everywhere she's been everyone she's pleased

There she goes again
Mixing melody with the memory
She's got a song for everything
Everywhere she's been everyone she's pleased

She's not one for love
But she sure loves the chase
Don't act so amazed
When she drifts, when she sways
When she sails away, and wanders off
Home to

She don't have the hunger
But she sure loves the taste
She's spinning Gilberto and Getz
As she digs through your crates

Another sunday morning in Saturday night's
Saturday night's dress, Saturday night's
Saturday night's dress, Saturday Saturday Saturday
night's

There she goes again
Mixing melody with the memory
She's got a song for everything
Everywhere she's been everyone she's pleased

There she goes again
Mixing melody with the memory
She's got a song for everything
Everywhere she's been everyone she's pleased
I'm too old for these drinking games

She's not one for lies, but she'll sure stretch the truth
It's the way that she smiles and winks till you're red in
the cheeks, yeah
Until you're saying that you love bands that you can't

stand
It's the way that she drinks, like she's cursed
She's dancing to The Cure

Until you're walking her home
With her shoes in your hand
And your sweater over her shoulders
Over her shoulders
Over her shoulders
Over her shoulders
Over her shoulders
Over her shoulders

There she goes again
Mixing melody with the memory
She's got a song for everything
Everywhere she's been everyone she's pleased

There she goes again
Mixing melody with the memory
She's got a song for everything
Everywhere she's been everyone she's pleased

There she goes again
Mixing melody with the memory
She's got a song for everything
Everywhere she's been everyone she's pleased

There she goes again
Mixing melody with the memory
She's got a song for everything
Everywhere she's been everyone she's pleased
I'm too old for these drinking games
