I don't wanna talk  
When you don't hear me  
I don't wanna love  
If you can't feel it  
And I don't wanna smile  
When you are laughing about me  
And I don't wanna die,  
When you don't care at all.  
Do you care at all?

I set your heart on fire  
I'll do what I can  
To be more than I am for you  
Tonight

I don't wanna call  
When you're not listening  
I don't wanna crawl  
If you're not watching  
And I don't wanna fly  
When you ain't coming with me  
And I don't wanna die  
When you don't care at all  
Do you care at all?

For some reasons it's not how it's supposed to be  
Feels like searching for the way in a one way street  
God given but a devils mistake  
I'll be your slave if you just let me stay
