"The End"

This is the end my dear
Today we're gonna die
There's no way out of here
You better stop to try

Time - wasted time
Life is a lie

This is the end my love
It's time to say goodbye
There's no escape for us
No chance to save our lives

Life - wasted life
Time is a lie

Welcome your demons
Killing your freedom
Welcome the dawning
That shines through the pouring rain

Today's the day my friend
Where no one hears our cries
We're waiting for the end
Can't find a place to hide

Time - wasted time
Life was a lie

I don't like this word here anyway
I think we gotta find another place
Shut your eyes I'll take you far away
Stop the crying - stop de crying
