Who says that my dreams  
Have to stay just my dreams  
Oh, to dance would be grander than grand  
With those what-sa-called slipper  
Fit on my flipper  
Could I twirl like they twirl up on land?

I'd dance night and day  
To what they say is ballet  
In a whoozit that's not too-too tight  
I wish I hope I might

Find something inside  
To show me how I can start  
Living the songs  
The songs I sing in my heart

Dreaming my dream  
Dancing my dance  
I've gotta try without wondering why  
I must take a chance  
Something inside  
Is daring to dance

:::: Later ::::

Listen closely you'll hear  
Music dance in your ears  
Look, a song you can see with your eyes  
We're all in the sea  
With our own way to be  
But we'll never know 'til we try

'Cos it's more than the voice that's singing the song  
It's more than the tail that can dance  
That'll make our dreams come true

It's something inside  
That tells you how you can start  
Living the song  
The songs you sing in your heart

Dreaming your dream  
Dancing your dance  
Gotta try without wondering why  
We must take a chance

Something inside  
Is daring to try  
Daring to sing  
Daring to dance

Daring to sing  
Daring to dance
