Sebastian

I hear the music playing  
It's swinging and it's swaying  
A little rhapsody  
Today we're so delighted  
Today we're all united  
Here on the land and sea

I think the sails are sailing  
Even the whales are wailing  
They're swimming fancy-free  
We're feeling better now  
We sing together now  
Here on the land and sea

Life is up, pick up your beat  
Move your fins and move your feet  
Life is sweet, life is grand  
Though we rhumba with the bass brass brand

Everybody now!

Ariel

There's no more stormy weather

Melody

Now we can sing together

Ariel & Melody

In perfect harmony

Ariel, Melody & Sebastian

We're feeling better now  
We sing together now  
Here on the land and sea

Sebastian

Those on land sing... la di da do  
Those below sing... la di do do  
Life is sweet, as sweet can be  
On the land and on the sea

Everybody!

All

La la la la la laa la

La la la la la laa la

La la la la lee dee

Sebastian

We're feeling better now

We sing together now

Here on the land and sea

All

La la la la la laa la

La la la la la laa la

La la la la lee dee

We're feeling better now

We sing together now

Here on the land and sea
